

This is a topographic map of a coastal area in Finland. The map features a prominent blue line that traces a path through the landscape, starting from the top left, moving right, then down, and finally right again towards the bottom right. The terrain is characterized by numerous contour lines, indicating a rugged, hilly landscape. A large body of water, likely a bay or fjord, is visible on the left side of the map. The map includes several labels in Finnish, including 'RISTILÄRVÄ' and 'KORHONEN'. There are also yellow and blue shaded areas, possibly representing specific land use or geological features. The map is oriented with North at the top.

[illegible]

This is a detailed topographic map of a region in Finland, specifically the area around Ristiärvä. The map features a prominent blue line that likely represents a watercourse or a specific administrative boundary, winding from the upper left towards the lower right. The terrain is depicted with brown contour lines, indicating varying elevations. Several areas are highlighted in yellow, possibly representing specific land use or geological features. The map includes numerous labels in Finnish, such as 'RISTIÄRVÄ' and 'KORHONEN', which identify specific locations or settlements. The map is oriented with North at the top, as indicated by the orientation of the contour lines and the placement of the labels.

This is a detailed topographic map of a coastal region in Finland, specifically the area around the Gulf of Bothnia. The map shows the coastline of Finland on the left and the Gulf of Bothnia to the right. A blue line highlights a specific route or boundary, starting from the coast near Ristiärvä and extending inland. The map includes contour lines, water bodies, and various place names. Key locations include Ristiärvä, Korpela, and various lakes and rivers. The map is oriented with North at the top.

This is a detailed topographic map of a coastal region in Finland, specifically the area around the Gulf of Bothnia. The map shows the coastline of Sweden to the west and the Gulf of Bothnia to the east. The city of Rostuuri is marked on the Swedish coast. The map includes contour lines, water bodies, and a blue line indicating a specific route or boundary. The text 'Rostuuri' is visible on the map.
